

EVAC+CHAIR POWERED 800H RESIDENTIAL RENTAL AGREEMENT

The Evac+Chair Powered 800H is meant for the emergency evacuation of persons with physical limitations or disabilities, whom may need assistance getting up or down stairs to safety. This chair has a **weight capacity of 350 lbs.**

The renter will need to pay to fix any physical damage to the Evac+Chair Powered 800H that occurs while they have possession of the device. If the device is badly damaged and needs to be replaced, this will result in a **\$3,000 charge**, payable by the renter who signs this document.

ECO Medical Equipment is not responsible for any accidents or damages that may occur resulting from or during the use of the Evac+Chair Powered 800H.

Persons getting down into and up out of the Evac+Chair without assistance should only do so if their health care professional deems it to be safe for them to do so.

The cost of renting the Evac+Chair Powered 800H is **\$1000 per month**, with an additional **\$50 delivery/pickup fee**, payable the first month.

By signing below the renter confirms that they have been instructed on how to safely operate the Evac+Chair Powered 800H, and agrees to not use this device unless they are confident in their ability to operate it safely.

Renter Name: _____ Renter Signature: _____ Date (dd/mm/yr) _____

By signing below the renter confirms that they have read and accept all of the terms and agreements outlined in this document.

Renter Name: _____ Renter Signature: _____ Date (dd/mm/yr) _____
